This may include, but is not limited to, examination and routine treatment by medical personnel at the event, transport to a hospital, X-ray examination, anesthesia, medical or surgical diagnostic procedures, or treatment that is considered necessary in the best judgment of the attending physician and performed by or under the supervision of a member of the medical staff of the hospital furnishing medical services. In the event of serious illness or injury, all reasonable efforts to reach the parent will be attempted.*

Traveling to Gatlinburg & Getting Around Town

Gatlinburg is next to Great Smoky Mountains National Park and has miles of hiking trails in the mountains and tons of dining, attractions, shopping, and arts and crafts in town. Make Gatlinburg your basecamp for adventure. Your youth will have a blast!

Most units will travel by personal vehicle to Winterfest, but be sure to check into alternative means of transportation. You may be able to save money by working with other units in your area to charter a bus.

Event parking at the Rocky Top Sports World is FREE. If you plan to drive your car to downtown Gatlinburg, expect to pay for parking. Parking in Gatlinburg can cost from \$10 to \$20 for the day. Some restaurants and attractions advertise that they have free parking (which is awesome), but they tend to be outside of the most congested part of the city center.

Downtown Gatlinburg is eminently walkable, as are the nearby park trails accessible from the city. If your feet get tired, take the inexpensive trolley to explore locally.

Visit gatlinburg.com for more information on the location.
